

CODE REVIEW COMMITTEE MEETING
February 10, 2011

Members Present: Gene Maloney, Jeffrey Check, Jason Sladky, Dan Luisier
Members Absent: Jim Check, Brandon Bartow, Jill Hennessey
Others Present: Jim Muenzenmeyer, Robert Netzler

Acting Secretary Gene Maloney called the meeting to order at 5:15 pm.

A motion to approve the minutes from the March 14th, 2008 meeting was made by Dan Luisier and seconded by Jeffrey Check; as all were in favor the motion passed unanimously.

The issue to be considered by the board is a revision to Municipal Code Chapter 17 to facilitate a revised requirement of the Wisconsin Department of Natural Resources as it pertains to Cross Contamination Control. Jim Muenzenmeyer informed the committee of the actions taken place to date.

Considerable discussion ensued about the notification letter, compliance periods, the ability of contractors to meet the newly created tasks, the forms used by the contractors, and the necessity of the entire program.

Jim Muenzenmeyer reminded the committee that the wording of the ordinance was what is at issue tonight. He told them the draft ordinance had been going back and forth between MPU and the City and has passed the Public Property and Safety Committee and the Public Utility and Licensing Committee. If this committee approves, the ordinance will be sent to the City Attorney for final writing.

After further discussion, Alderman Sladky made a motion to approve the draft revision of the ordinance and to send to the City Attorneys office for a final writing. Gene Maloney seconded the motion; the vote to approve the motion passed 3 – 0 – 1 with Gene Maloney, Jason Sladky, and Dan Luisier voting aye, Jeffrey Check voting present.

There being no further business, Alder Sladky made a motion with a second from Dan Luisier to adjourn at 5:50pm.
