Short description of "STAR-worthy" action: _____

Danny's 'Did You Know' articles in the HTR have done a lot to help educate the public on local and state laws. His willingness to learn and share his knowledge with others makes him unique. He demonstrates a true passion for his work and displays a positive attitude that makes him an asset to the PD and the City. He often goes above and beyond what is required of him and his practical approach to problems has proven to increase the efficiency of the Department. I feel Danny should be recognized for coming into a position strange to him, learning a great deal in a short time, and making a dramatic difference at the PD.
