Short description of "STAR-worthy" action: _____

A claim was filed against the City for negligence in snowplow driving. Billy and Steve were subpoenaed to testify in Small Claims Court regarding the incident, which happened over a year ago. Both Billy and Steve were thorough and complete in their testimony, and went above and beyond by going to the accident scene to measure the distances involved so they could testify accurately. I was impressed by their testimony because this is not a routine part of their job, but they both appeared as skilled professionals. The case against the City was dismissed due to their testimony, saving taxpayers \$2375.
