Short description of "STAR-worthy" action: _____

I would like to nominate Lisa Kuehn for her work in implementing bartender and alcohol licensing through the use of Licensing & Permits module in Springbrook. The module had to be custom built from square 1 and Lisa kept striving to make it work efficiently for both the Clerks and approvers (Police, Fire, Building) of various licenses by spending many hours working with Springbrook through phone calls and "make a meeting" to give us everything we needed the system to do. She also traveled to the Springbrook conference in Oregon! Many road blocks never deterred her from completing the project.
