

**PUBLIC PROPERTY & SAFETY COMMITTEE**

**June 24, 2010**

**MEMBERS PRESENT:** Jim Brey, Nic Levendusky, Jill Hennessey, Alex Olson

**MEMBERS ABSENT:** Scott McMeans,

**OTHERS PRESENT:** Jim Muenzenmeyer, Tony Dick

The meeting was called to order at 5:00 p.m. by Chairman Brey

The only item on the agenda was discussion and possible action on adding a second canine unit to the Manitowoc Police Department. Chairman Brey informed the Committee that the approval issue had been inadvertently omitted from the June 21<sup>st</sup> Common Council agenda and that the Public Property and Safety Committee could authorize the creation of the second Canine Unit by itself.

Police Chief Tony Dick handed out a spreadsheet which showed the projected costs of operating the second Canine Unit. After a discussion which included the success of the first unit, concerns over adding a second unit so soon after the first, and funding issues, Ald. Hennessey made a motion to approve a second Canine unit. Ald. Levendusky seconded the motion. As all were in favor, the motion to add a second Canine Unit to the Police Department was unanimous.

There being no further business, a motion was made to adjourn the meeting at 5:30 p.m.
