
City of Manitowoc
Street Tree Planting Permit

The undersigned property owner of the City of Manitowoc is granted a permit for the planting of street trees. Street trees are those trees growing on land located between the curb and sidewalk, right-of-way lines, along boulevards, and all other areas owned by the City or to which the public has free access.

The undersigned property owner agrees to abide by all policies, procedures and guidelines regarding the tree selection, placement and planting of street trees as set by the City of Manitowoc.

The undersigned and all their heirs, executors, administrators, assigns and agents agree to hold the City of Manitowoc, their employees and agents harmless for any and all damages or personal injury claims occurring in connection with the above grant of permit. Further, any rights to any claims, demands, rights of causes of action, present or future, whether known, anticipated or unanticipated, resulting from or arising out of the planting of the tree(s) by the undersigned, his assigns or agents is hereby waived. The undersigned assumes any and all risks which may arise out of or related to his actions.

All property owners requesting a planting permit are required to review the City of Manitowoc Street Tree Planting Policy. The Policy contains information regarding proper species selection, size requirements and suitable planting locations and exists for street tree plantings in order to ensure a safe, sound, healthy, and long living urban forest. Additional assistance regarding tree selection, planting and maintenance is available from the Parks Department.

I have read the attached City of Manitowoc Street Tree Planting Policy and hereby agree to its terms.
