## Apples to Apples

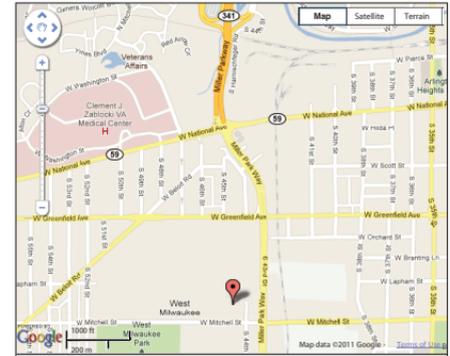

Comparing apples to apples - that's the way you make so many choices. Whether you're purchasing a toaster, a TV or even a car, you make comparisons. Why wouldn't you do the same for a health care service as important and costly as an MRI?

Join over 25,000 patients and 3,500 doctors who've made the Smart Choice by choosing the high-value option, rather than the most expensive!

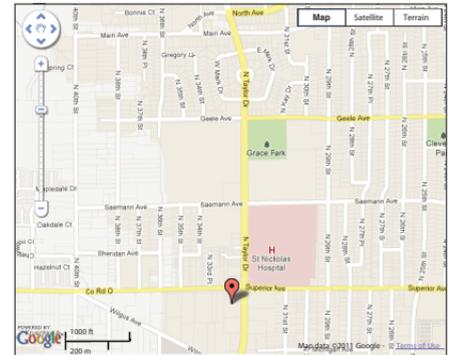

## Every MRI, Just \$600
