IV. PUBLIC INFORMATIONAL HEARINGS

[16-0798](#) PC 25 - 2016: Resolution Regarding a Comprehensive Plan Amendment to Modify the Map of Future Land Use in the Area of 200 East Waldo Blvd; also known as the Former Elks Club and Golf Course Property.

N. Sparacio introduced the proposed changes to the comprehensive plan and referred to the maps provided to describe the location of the amendment.

N. Sparacio continued to define the changes to the future land use map boundaries, further explaining the driving force of the amendment is to add tax base through new development in the area as called for in the adopted

plan for TID 18. The comprehensive plan category is currently Public Parks and Open space and the request is to amend a portion of the property to Planned Mix Use to allow for the creation of a Planned Unit Development District (PUD). The creation of a PUD adds additional controls regarding what land uses are allowed in addition to building design standards in the PUD area.

N. Sparacio detailed the extended approval process for a Comprehensive Plan Amendment which requires both Plan Commission and Common Council approval.

N. Sparacio concluded his comments by reviewing the public comments collected by staff at the neighborhood meeting on Tuesday, August 16th and summarizing additional comments received since the staff report was written including one phone call and one letter.

Vice Chairman Brey opened the discussion to the Plan Commission.

D. Steinbrenner asked for clarification on the Planned Mixed Use category in the comprehensive plan.

There were no further comments from the Commission, so Vice Chairman Brey opened the Public Informational Hearing.

The following individuals spoke in opposition to the proposed amendment: Steve Weber - 212 East Parkview Ln., Dave Rhode - 303 Waldo Blvd., Mark "Duke" Jerabek - 312 East Parkview Ln., Chris Able - 715 N. 5th St., Larry Maloney - 1707 Philippen St., Pat Flaherty - 100 E. Parkview Ln., Linda Davison - 518 E. Parkview Ln., Mike Lefky - 4 E. Waldo Blvd., Lee Kummer - 3300 Lindbergh Dr., Ray Breberitz - 204 E. Parkview Ln., Darrel Davison - 518 E. Park View Ln., Linda Davison - 518 E. Parkview Ln., Linda Lefky - 4 E. Waldo Blvd. The stated concerns were the loss of wildlife habitat in the area, impacts to views of Lake Michigan, impacts to their use of the vacant land, and not knowing the specifics of future land uses. According to those who opposed the proposal, the ideal use for the property would be to maintain it as a conservancy area or acquire it as a City park.

After hearing all the public comments, Vice Chairman Brey closed the Public Information Hearing and requested a recommendation from staff.

N. Sparacio stated the staff recommendation was to approve the proposed Comprehensive Plan Amendment of Future Land Use from Public Parks and Open Space, General Business and Environmental Corridor to Planned Mixed Use and Environmental Corridor in addition to the approval of the related resolution.

Vice Chairman Brey opened the discussion to the Commission.

D. Steinbrenner proposed that staff take some time to adjust the boundary for the proposed comprehensive plan amendment.

The Commission discussed the potential for additional access points off of Waldo Boulevard and the impact of the construction of the pending round-about at the Waldo Boulevard / Memorial Drive / Maritime Drive intersection.

Moved by Muenzenmeyer, seconded by Dorner, that the item be tabled. The motion failed by the following vote:

Aye: 3 - Member Muenzenmeyer, Member Steinbrenner and Member Dorner

Nay: 4 - Alderperson Brey, Member Diedrich, Member Hornung and Member Koski

The discussion was re-opened to the Commission and an adjustment to the previous motion was made.

Moved by Diedrich, seconded by Hornung, that this item be tabled until the September 28th Plan Commission Meeting and that Community Development staff be directed to revise the Comprehensive Plan Amendment to include additional green space. The property owners from the original mailing shall also be notified of these revisions. The motion carried by the following vote:

Aye: 7 - Alderperson Brey, Member Diedrich, Member Hornung, Member Koski, Member Muenzenmeyer, Member Steinbrenner and Member Dorner

VII. NEW BUSINESS

16-0800

PC 26-2016: Custer #5 Annexation Area - Backus Petition for Direct Annexation pursuant to § 66.0217(2) for property along W. Custer Street.

P. Braun explained to the Commission that Jerome and Judith Backus submitted an Unanimous Approval annexation petition for a 1.00 acre lot they own on W. Custer Street. The vacant property is currently located in the Town of Manitowoc Rapids. After the annexation is complete the Backus' will divide the parcel into two lots and sell one of the lots for a future single family dwelling.

P. Braun noted that the proposed zoning for the property is R-4 Single and Two Family Residential which is consistent with the Future Land Use Map of the Comprehensive Plan.

Moved by Hornung, seconded by Diedrich, to (i) recommend acceptance of the annexation petition and (ii) place a temporary zoning designation of R-4 Single and Two Family Residential on the parcel. The motion carried by the following vote:

Aye: 7 - Alderperson Brey, Member Diedrich, Member Hornung, Member Koski, Member Muenzenmeyer, Member Steinbrenner and Member Dorner

16-0801

PC 27 - 2016: Discussion regarding potential Street Vacation and Amendment to the Official Map for a portion of Unimproved Edgewood Road.

D. Koski stated that he will abstain from discussion and voting because he has an accepted offer to purchase the Bruce Turcotte residence located at 1130 Tanglewood Road which abuts the subject property.

P. Braun explained to the Commission that the street vacation and official map amendment are on the agenda for discussion purposes only. The subject area is located in between 1130 Tanglewood Road and 3505 Edgewood Road and is an area of dedicated but unimproved right-of-way. The subject area was dedicated in 1960 when Forest Estates Subdivision No. 1 was platted and its assumed that Edgewood Road was planned to extend to the west and connect with Westwood Lane.

P. Braun continued to explain that pursuant to WI Stat 66.1005(1) *Reversion of Title* the area to be vacated will annex into 1130 Tanglewood Road which is the property it was originally part of prior to the 1960 subdivision plat. The two other abutting properties at 3505 Edgewood Road and 1108 Westwood Lane did not dedicate any land towards the area proposed to be vacated. In closing, P. Braun stated that there is an understanding that the Koski's will transfer a triangular shaped peice of

land to the Mertens' at 3505 Edgewood Road because they have some trees located in that area.

Moved by Muenzenmeyer, seconded by Dorner, to (i) instruct Community Development staff to draft the vacation resolution and official map ordinance and have them introduced at the next Council meeting and (ii) instruct staff to prepare all other necessary maps and documents as needed. The motion carried by the following vote:

Aye: 6 - Alderperson Brey, Member Diedrich, Member Hornung, Member Muenzenmeyer, Member Steinbrenner and Member Dorner
