15. Old Business -none
16. New Business
  - a. National Night Out Review – down on parties this year; one car went around to the parties and showed a drug map and crime map
  - b. Crime Prevention Day
    - i. No MPSD this year
    - ii. Better week with less community conflicts
    - iii. No bike helmets this year, will need ideas for giveaways-walking safety vests was a suggestion
    - iv. Sandy Keil will send out a doodle poll for volunteers. Shifts will be 9:30-11:30am; 11:30am-1:30pm; 1:30- close. The event is from 9:30am-3:00pm.
  - c. Ideas for Projects-blue lights for law enforcement
  - d. Dave Remiker reported for the Drug Unit that there is a large increase in Meth cases right now. They are also short staffed and very busy with 10 calls coming in per day from different communities. Dave was asked if drugs were related to burglaries and his response was that many times there is a connection between the two. There have been over 40 break-ins recently.
  - e. City Council is working on passing an ordinance against selling drug paraphernalia. The ordinance passed committee and now has to go to the full Council. It would not take effect until Mid-November if it passes.
