Committee of the Whole discussion on Public Infrastructure

Director of Public Infrastructure and Engineering division Manager Greg Minikel reviewed the PASER (Pavement Surface Evaluation and Rating) grading system and spoke of the conditions of the streets and why some streets are in worse conditions than others. They also spoke on the cost of repairing streets along with comparing the cost of concrete versus asphalt. Mayor Justin Nickels gave an overview on the budget process and the funding received for roadways throughout the City. The Committee discussed the funding sources and ways to use the funding to repair roadways. Director of Public Infrastructure Dan Koski and Engineering Division Manager Greg Minikel answered questions from the Committee and gave an overview on the complaints received from Citizens. It is noted that many alleyways in the City are in need of repairs.

#### 4. Adjournment
