## **Lincoln Boulevard Historic District**

Nomination to the National Register of Historic Places  
City of Manitowoc, Manitowoc County

Thank you to all who responded with opinions regarding the Lincoln Boulevard Historic District. A majority of respondents are in favor of nominating the historic district to the National Register of Historic Places, so the nomination process will go ahead. The project consultant will begin working with the Wisconsin State Historic Preservation Office (SHPO) to prepare the nomination form.

The nomination process is expected to take between twelve and eighteen months. This is the estimated timeline for the nomination process:

**June 2017:** Consultant begins writing nomination form and assembling additional submittal materials (photos, maps, etc).

**November 2017:** Submittal of draft nomination form to Wisconsin SHPO for review and comment. Consultant will work with SHPO to make any necessary changes.

**January 2018:** Submittal of final nomination form to Wisconsin SHPO for approval.

**May 2018:** Presentation to the state Historic Preservation Review Board (meets quarterly). Review Board approves nomination; nomination is sent to Washington, D.C. for review by the National Parks Service.

**July 2018:** National Parks Service approves nomination. The Lincoln Boulevard Historic District is officially listed in the National Register of Historic Places.

Throughout the nomination process, the Wisconsin SHPO and the consultant will be happy to answer any questions and concerns, or to share any information about the historic district.
